

Cat & Dog Cuddle Project

WHAT: A community service project to make a difference in the life of a cat or dog waiting for adoption, and in her/his new home.

HOW: Just by doing something we love: quilting!

WHEN: Right now! (fall of 2008 and beyond)

INCENTIVE: Besides the 'good karma' of improving the life of a cat or dog, you receive one "Friendship Block" point for each cuddle you turn in.

WHO can PARTICIPATE: Any Moonlight Quilter member or affiliate can make a cuddle and get the "Friendship Block" points. Cuddles from anyone are accepted.

DETAILS:

- ✓ A 'cuddle' is a quilted pad of a specific size which is given to a cat or dog waiting for adoption at one of a number of Sonoma County animal welfare organizations, such as Forgotten Felines of Sonoma County. The quilted pad becomes the property of the cat or dog, and goes with the animal to her/his new home when adopted, so that something familiar is there in the new environment.
- 🐾 All materials used should be washable and durable, with nothing that will snag a claw, or tempt a chew-off/swallow like a button.
- ✓ Cat or dog related fabrics are fine to use. One agency has specifically asked that one side of a cat cuddle be a solid color, any color, the better to highlight the cat resting on it. The other side can be anything you wish. If you wish to use prints on both sides, that is fine: the cuddle will simply go to a different agency.
- 🐾 Any type of quilt top can be used: pieced, appliqué, whole cloth.
- ✓ Cat cuddles should be 25" x 17" so that they fit within a standard cat carrying cage. Dog cuddles can be larger.
- ✓ Cat cuddles can have catnip sprinkled between the batting and the top, if you wish. Catnip filled toys can also be created. (There is no catnip-equivalent for dogs.)
- 🐾 Turn in completed cuddles to the Project Coordinator, Donna Hinshaw.

DONATIONS ACCEPTED: If you don't have time to create a cat or dog cuddle, but wish to help, you may donate cat or dog themed fabric of at least ¼ yard, batting of at least 25" x 17", catnip, or all cotton thread. Give your donations to the project coordinator, Donna Hinshaw, at any meeting or call for special arrangements: 773-3393

WHO is COORDINATING: This project within the Moonlight Quilters is organized by Donna Hinshaw. This is an approved project within the Guild.

PLEASE JOIN ME IN MAKING THE LIVES OF THESE ANIMALS A BIT BETTER.
